EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bernard S. Klosowski, Jr. on May 2, 2005.

The application has been amended as follows:

None-elected claims, claims 10-14 and 16-23, have been cancelled.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the cited reference, Linkletter, fails to teach or fairly suggest the vacuum device configured to receive the web by pulling it to its bottom surface, the bottom surface of the transfer belt. Note that web is received in the cited reference by the top surface of the bottom roll 15 and therefore the reference does not read over the above limitation. As to the Wedel reference, see page 12 of applicants' remarks filed on April 20, 2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
